Kashiwa City Culture and Social Activities Facility (Pallet Kashiwa) is the place where citizens play the leading role. It is a facility that can be used as a place for citizen's new discovery, meeting, creation, enjoying hobbies with friends, and learning place. And as the colleague living in Kashiwa city, Palette Kashiwa would be a place for citizens to think about next city planning with voluntary and creative activities. Palette Kashiwa would be a place for citizens to open making friends with curiosity to learn. It is a facility made with such a wish. Palette Kashiwa is a 3-minute walk from the south exit of Kashiwa station. Please use it as a new citizen learning place in a good location, as "Kashiwa station campus".
